NAZARENE CHURCH

Revival continues over the week end, with increased attendance and interest. Rev. Baggett is a forceful Gospel preacher, that you should hear during the few remaining services of this revival.

You will appreciate the music each service. Mrs. Baggett is an accomplished pianist and she, with

Rev. Baggett, render some effective special songs that will stir your heart.

Help us make Sunday a record day at the Church of the Nazarene. All services at the regular hours.

Dan D. Jones, Pastor

MOVED TO MONAHANS

This week Mr. and Mrs. Calvin Smith and little daughter, Virginia, moved to Monahans where Mr. Smith will do oil well work. But Hamlin is their choice "home" and perhaps within a few weeks or months General Crude Co. will be drilling again near Hamlin and the Smiths will be returning.

Mr. and Mrs. J. M. Cochran of Tahlequah, Oklahoma, parents of Mrs. R. E. Johnson, returned to their home last week after spending a week here with Mr. and Mrs. Johnson. On their way home, Mr. and Mrs. Johnson accompanied them on a trip to San Antonio and Corpus Christi and then on to Oklahoma.

Mrs. Juanita Myers and her son Charles of Dallas were here last week visiting her sister, Mrs. W. R. Wilkerson and husband.

CHURCH OF CHRIST

If a Christian does not control his tongue, his religion is vain. James 1:26. The Bible says again that "for lack of wood the fire goeth out; and where there is no whisperer, contention ceaseth." — Prov. 26:20.

Have you ever heard of Gossip Town,

On the shores of Falsehood Bay, Where old Dame Rumor, with rustling gown, Is going the livelong day? It isn't far to Gossip town For people who want to go; The idleness train will take you down In just an hour or so.

The Thoughtless road is the popular route, And most people go that way; But it's steep downgrade; if you don't look out, You will land in Falsehood Bay. You glide down through the valley of Vicious Talk, And into the tunnel of Hate; Then, crossing the Add-to Bridge, you walk Right into the city gate.

The principal street is called "They Say,"

And "I've Heard" is the public well,

And the breezes that blow from Falsehood Bay,

Are laden with Don't You Tell.

In the midst of the town is Tell-Tale Park;

You are never quite safe while there,

For its owner is Madam Suspicious Remark,

Who lives on the street Don't Care.

Just back of the park is Slanderers' Row;

'Twas there that Good Name died,

Pierced by a shaft from Jealousy's bow,

In the hands of Envious Pride.

From Gossip Town, Peace long since fled;

But Trouble and Grief and Woe And Sorrow and Care you'll meet instead,

If ever you chance to go.

We would like to have you worship with us at the Church of Christ.

Strikes--Lockouts--Picketing

EDITORIAL

The subject of Strikes, Lockouts, and Picketing, especially on defense contracts, is attracting nation-wide attention these days.

Years ago Hitler indicated that at the proper time his movement would do its work in America by Americans who have the job of making and doing things. This is perhaps the chief basis for the anxiety of most Americans when they learn of labor disputes, strikes, lockouts, and picketing.

The temper of the American people will not stand for any group of people to disrupt the defense job that is now before us. That seems to be the spirit, especially of Texas people.

Governor W. Lee O'Daniel set the present legislature on a high-horse on Thursday of last week when he asked them to hear a message of supreme importance in a joint session of the two houses. His speech is well known by now, having been given over and over in the various papers and over the radio. This is one subject that has met or seems to have met with general approval. Texas people have never been troubled extensively by labor troubles, especially strikes, lockouts and harmful deeds, and they are not likely to approve of anything irregular in that line, especially in times of near war.

Several years ago, Governor James Allred let the world know that down in Texas there would be no "sit-down obstruction" in this state. Now Governor O'Daniel has

taken a like step in 1941. So eager was the House of Representatives to get the governor's message into law that it was a hard matter to stop the legislative machinery before the final passage was enacted. That is about the way the people of Texas feel about strikes in defense work.

Labor is a sensitive subject. The facts are that most people of Texas have a sympathy for the man who works. They desire that a good wage be paid, that men work under safe and comfortable surroundings, and that the hours be reasonable. What people do not like is for workers to quit a job and stand guard to prevent others from working . . . or maybe do some damage to property in protest.

Before this paper is ready for the mails, whatever is done with Mr. O'Daniel's suggestion will have been done.

In Congress there is a growing anxiety over the labor strikes in defense industries. 25 or 30 strikes, involving many thousands of men, does represent a question that appears to us as being unworthy of a Free and Independent people.

We believe a better plan can be found to make employing individuals and big firms be fair to labor, than by having a situation that calls for strikes, and violence. This system of getting rights by strikes is not truly American, according to our way of thinking. There is a better way, and the American people will find a better plan.

A Wonderful Prayer

The Herald takes the following from the Dallas News:

The invocation of Dr. David Lefkowitz, rabbi of Temple Emanuel, at the British War Relief banquet in Dallas, has drawn so many requests for copies that the full text is here presented:

"Our Heavenly Father, eternal and loving God, Thou hast done marvelous things aforesaid and in our day and hast revealed Thy righteousness in the sight of the nations. All the earth hath seen the salvation of the Lord. Even when the waters have come into our souls we were cheered by the might of Thy hand. For Thou rulest and establish equity and justice in the world which Thou hast created. O God, merciful and loving and ever true, let it not now be said in scorn, Where is Thy God?"

"We thank Thee, O Father of grace, for this fair land of ours, for its government of free men, for its noble achievements in material, spiritual and political progress. Amid the storm raging ever more furiously in the world we fervently thank Thee for the aroused spirit of American democracy, for our president and his leadership, his vision and his resolute stand against those forces in the world which would sound the death knell of all that free peoples hold dear.

"We are truly grateful, O God, for the gallant British as they hold at bay the powers of darkness in their heroic stand against the power-crazed nation that seeks their

destruction, a defense of such indomitable courage that it makes the stuff of a new epic, an inspiring saga for generations yet unborn. O, may not the dark waters overwhelm the brave nation before aid comes!"

"Solemnly we pray that our beloved America—cousin in ideals and free institutions, in literature and language, if not in blood—speedily come to total aid of Great Britain. May it be Thy will that every citizen of our democracy by some token however humble, express our high admiration of England's glorious defense and the assurance of our continued prayers and material assistance. Mayest Thou, O Father, speedily rebuke the arrogant and groward nations that have wrought this evil of war; May we soon hear the sound of the tocsin of the victory of righteousness, that civilization and decency, liberty and freedom may not perish from the earth. Amen."

COMMENT: Many people of the Hamlin community hear Rabbi Lefkowitz over WFAA every Sunday at 9:30. To merely read the prayer above is nothing to compare with the same words heard from the reverential voice of the universally loved rabbi. The abiding faith of the people of the Jewish race is marvelous, under the terrible conditions in many nations of the world.

Hamlin City Buys New Fire Pumper

Hamlin Fire Department has two high-pressure fire engines for service. Last Saturday a deal was closed with the Simplex Fire Apparatus Co. of Dallas for a new fire-fighting equipment unit.

It is a \$3,750.00 machine, purchased with a deal to have the old pumper re-conditioned and repaired. The new machine was left in Hamlin, and the old one is now in the Dallas Shop.

Two fire engines is really safe, for machinery is machinery, and a single machine might break down when most needed.

New Merchants Say "Thank You" Folks

We want to express our thanks and appreciation to the customers of James Dunlap and the Clover Farm Store for their friendship and continued patronage since we took charge. We shall strive to serve you with foods that win your approval.

Joe Simpson's Father Died Last Saturday

The friends of Joe Simpson of this city sympathize with him in the loss of his father, H. H. Simpson, who died last Saturday at his home in Hico.

Death came after only one week of illness. Joe went to the bedside of his father on Monday of last week and was joined by his wife on Wednesday.

Funeral services were held on Sunday, and Lott Shell, B. B. Colwell and Mrs. Bob Barrow and her daughter, Miss Mildred, all of Hamlin attended the funeral.

The elder Simpson was 72 years of age and his death was the first in his family. He is survived by his wife and nine children.

Hamlin Teacher's Father Died Thurs.

Glen Caffey of the Hamlin High School faculty, has the sympathy of his Hamlin acquaintances in the loss of his father, M. L. Caffey, a pioneer of Jones County, who died on Thursday of last week, at his home in the Elliot community.

The funeral was held in Anson on Friday.

Notice of An Election

Notice is hereby given that an election will be held at The City Hall within The City of Hamlin, Texas, on the first day of April, 1941, for the purpose of electing Two Aldermen. Said election, which shall be held as nearly as possible to conform to the general laws of the State of Texas, regulating general elections when not in conflict with the provisions of the statutes relating hereto.

No person shall vote at said election unless he be a qualified voter under the constitution and laws of this State.

Said election was ordered by the Mayor of the City of Hamlin, Texas.

Dated this 1st day of March, 1941.

Joe L. Culbertson,
Mayor City of Hamlin, Texas (20-3)

Mr. and Mrs. Brandon White of Dallas came Saturday for a week end visit with their parents, Mr. and Mrs. S. M. Richardson. Mr. White is a dental student in Baylor Medical College and Mrs. White is a nurse in Baylor Hospital.

BAPTIST CHURCH

Next Sunday, we urge all men to attend our services. This is fourth Sunday, and on this Sunday each month we seek to make our service of particular interest to laymen. We are glad to see the marked increase in spiritual interest manifested by men all over our state at this time.

We reached our 300 goal last Sunday. We also had an increase in Training Union attendance. With only three more Sundays before our revival, let's determine now to attend regularly all services. We do not want Bro. McGahey to come and find us unprepared to begin a great harvest of souls.

Sunday is World Service Sunday. A brief Mission Program will be rendered. The pastor is to preach a Missionary Message on "The Gospel In A Nutshell." Special music will be rendered. The sermon subject for the evening service is to be "Who Could It Be?"

Now that the revival is over, may we continue to grow spiritually by faithful attendance at all services of the church, by cultivating a greater prayer life, and by unselfishly and lovingly serving the Lord of the Harvest in a greater way. Come to church Sunday and bring some one with you.

Visitors are always welcome in our services where you find a glad hand at all times. Come and worship with us.

The revival which closed at the Methodist church Sunday was a great success in many ways. The interest and attendance was good. The church was greatly blessed by a deepening of the spiritual life and a greater interest in the cause of Christ.

There were 16 additions to the church by baptism and vows and 3 by letter, and the pastor has written for 3 other church letters. To God be all the glory!

Mrs. C. B. Allbritton, of Waco, spent Sunday here with her daughter, Mrs. Arlie Cattle and husband. Mrs. Cattle returned home with her mother for a few weeks' visit. Mrs. Allbritton was accompanied by H. O. Cattle, Jr., also of Waco, who came to visit his parents, Mr. and Mrs. H. O. Cattle.

The infant child of Mr. and Mrs. Willie Wolfe in South Hamlin died Wednesday night. It was only 8 months of age.

A LOT OF QUESTIONS
AND GUESSES—

What would be the situation if Senator Wheeler had his way in the United States?

Senator Glass says "Anything to whip hell out of Hitler," meets with his approval.

Wonder if Hitler knows how many strikes are going on in the United States? Sure he does, and nothing pleases him more.

Who is it that believes Germany would tell the world that she is sending a big submarine over on this side of the Atlantic, just when it is to arrive, and at what port?

If a German submarine should come over on this side, it could enter any port and remain about 48 hours without harm.

A lot of people actually think because of the passage of the Lend-Lease bill, this country will get into war. If this nation gets into combat action, it will be because some other nation strikes down one of our ships carrying the stars and stripes, and not till then.

The foods of the United States will do as much to win a victory for democracies as guns. A lot of good things to eat dangling before the eyes of a hungry people will serve to quiet their nerves and stop their ambitions.

And the Germans say the big ship Bremen was burning two days this week. Wonder why the Germans would be so accommodating as to tell the world that news?

Speaking of the Bremen; it was surprising that the English navy did not catch her while going from New York back to Europe, in the first place.

We believe that there will be enough English speaking nations of the world to form a "Peace Union" and invite peoples of other languages into such a Union, till the few who may want to hold back will find it comfortable and profitable to join the New progress of civilization, when once again an Armistice is signed.

The spirit of Woodrow Wilson is still in the peak-front of the world.

and love for humanity plus tolerance and power in the hands of the United States, will, after all, predominate.

A LETTER

March 11, 1941

Dear Mr. Pope:

Inclosed you will find \$1.00 for the Hamlin Herald. I always look forward to the Mondays. That's the days when I get to read about the Hamlin folks. Really enjoy the paper.

The north is still a good place, but I had rather be a Texan, anyway. The weather is so changeable, or rather it's been that way this winter.

I am very happy in my work. Will be in Texas some time this summer.

W. N. Temple Celebrated 83rd Birthday

One of Hamlin's best beloved Senior Citizens is Mr. W. N. Temple who lives on Jackson Avenue.

Last Saturday Mr. Temple was 83 years of age. The day found him well and active as usual.

His children were all with him, namely, his son Earl Temple of Dawson County, Mrs. Hibbs Milsap and Miss Eleanor Temple of Hamlin.

Mr. and Mrs. Earl Temple and children remained through Sunday, giving Mrs. Temple an opportunity to sing in the services at the Methodist church. Mrs. Temple before her marriage, was Miss Lella Thurman, who began her public singing in Hamlin in early girlhood. She is considered West Texas' most outstanding soloist.

Speaking of singing, there is nothing that charms "Grandpa" Temple more than some good old religious song . . . unless it be a good sermon. Mr. Temple is one of the most faithful attendants of the Methodist church. It takes extreme bad weather to keep Mr. Temple from the Sunday morning services. And when he can hear his own daughter-in-law sing a song that stirs the soul, Mr. Temple is more than happy.

While we are "telling on" a neighbor 83 years young, might just as well tell that Mr. Temple keeps one of the neatest yards, both front and back, in Hamlin. If any home has grass and flowers, it is at Mr. Temple's. Congratulations, Brother Temple.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Mrs. O. K. Wilson returned Saturday from Fort Stockton where she spent two weeks with her daughter, Mrs. J. D. Greenway, husband and the "grandson".

Mosquitoes Are Coming

EDITORIAL

The Herald is so glad some of its neighboring papers have brought up the subject of "MOSQUITOS" . . . Last week it was Editor Cleburn Huston of the Stamford American. The Herald has said it would not mention the "Mosquito again," but spring is right around the corner, and right "yonder" is a nest of mosquitos ready to come out when the temperature reaches about 70 degrees. So Editor Huston beat us to it. He says:

"Mosquitos will be Here Soon"

"Remember how the mosquitos swarmed, buzzed and bit last summer and fall? It was not only annoying and painful, it was a menace to health and a downright disgrace to Stamford. We used to crack jokes about the mosquitos in East Texas. Well, the progressive communities in East Texas don't tolerate them any more. Mosquitos are an unnecessary evil. They can be eliminated and the task in Stamford will not be as difficult as in other climates that are more favorable to the winged pest.

"This area used to be free from malaria, except for an occasional case that was contracted in some other area. Leading Stamford doctors say that we are beginning to have cases of malaria here. The disease is transferred only by the bite of the anopheles mosquito.

"Stamford should begin now organizing a campaign for mosquito eradication. The time to start is before the mosquitos that have survived this extremely mild winter get started hatching bigger and bigger families."

—Editor Huston

Last year Stamford had more mosquitos than usual. Last year the Herald took the lead in trying to fight Hamlin's mosquitos, and while our work was an experiment on a small scale, we know billions of mosquitos were killed before they hatched. After they are hatched nothing much can be done except let 'em bite you.

If one man with a little help, on a small scale, can do enough in one season to count, then it is reasonable that with the City Government and all Clubs and citizens pulling together, the job can be done completely. But it takes work, early work, constant work, and keep-on-work till chilly weather stops hatching. Last year, after a summer of financial and personal worry, we quit work in late August, when it should have gone on through October. That was why we had mosquitos in the early fall.

REPORT OF LAST YEAR

Last year the Herald induced the City to pay for actual labor for mosquito work. One man was employed under our direction, for part time, beginning on June 17. This work quit the last week in August.

The total paid by the City amounted to \$56.35.

The Chamber of Commerce contributed \$11.00 for the following:
One hand-pressure spray.
Two Thermo Jugs.
2—5 Gallon cans.
One pair rubber shoes.

Stations contributing 5 gallons each were: Hudson, Dode Sanford, Bill Thomas, Magnolia, W. T. Walker, and J. H. Foster. 10 gallons each were contributed by J. V. Miller Station, Holly Toler, Wilkerson Station, Stell's Station, Shipp's Station, and Ed Smith Station.

Total Kerosene Gifts . . . 90 gals.

Those contributing 30 cents cash each to purchase kerosene were: Ira Clements, Mrs. M. Y. Wilson, Dan Howard, J. O. Jones, Tate May, Eddie Jay, Acme Lumber Co., Mrs. Burns, Arlie Cassie, Kurt Schoemann, Sam Wilcox, Ted Russell, W. L. Boyd, Fred Carpenter, James Dunlap, Jess Young, Clyde Benham, H. O. Cassie, Gordon Bennett, J. B. Eakin, Pearl Hudson, Mrs. Tom Teague, Nettie Bowen, A. R. Elam, T. E. Harden, Alford Harden, Mrs. D. D. Harden, Jerry Waggoner, Frank Waggoner, Brad Rowland, Bob Barrow, Andy Anderson, J. D. Burke, S. D. McMahon, and Cass Rowland. Total in cash, \$10.50.

Kerosene cost us 6 cents per gal. and in addition to gifts and cash contributions, 175 gallons of kerosene was bought and paid for by the Herald Editor, amounting to \$10.50.

Kerosene used 440 gals.

Unless the City gets behind mosquito control, on a big scale, early and does something about conditions that prevail in California Creek beneath the sewer disposal point, Hamlin will always have mosquitos. The job is too large and complicated for one citizen to handle.

WHAT'S YOUR DEFINITION?

A London magazine asked its subscribers to submit definitions of "home"—and received over eight hundred answers. Out of these, 6 were selected as the best. Here they are:

"Home—A world of strife shut out, a world of love shut in."

"Home—A place where the small are great, and the great are small"

"Home—The father's kingdom, the mother's world and the child's paradise."

"Home—The place where we grumble the most and are treated the best."

"Home—The center of our affection 'round which our hearts' best wishes twine."

"Home—The place where our stomachs get three square meals a day and our hearts a thousand."

"Now my son," said the father, "tell me why I punished you."

"That's it; first you pound the life out of me, and now you don't know why you did it."

THE PIPER STAFF:

SCHOOL LOYALTY

By W. D. Bristow

Throughout the year the students have shown wonderful school loyalty. During the football season, the spirit of loyalty was high. In general, loyalty has been a main part in the hearts of the students of Hamlin High this year.

Next Friday and Saturday, March 21 and 22, the county track meet and Interscholastic League will be held at Anson. Many of the students are showing their colors by entering different events at this meet. Even though it is impossible for some of us to take part in any event, we can do the next best thing. Make it convenient to attend this event and support your school.

TRACKMEN TAPER OFF

The cinder men of Hamlin High who will represent the Pipers at the County Meet in Anson today and Saturday tapered off with some slight caustics and a few wind sprints. Coach Grigg says that his squad is in good condition and he hopes to bring some first places back to Hamlin High!

PRELIMINARIES IN

DECLAMATION HELD

Declamation presented itself to Hamlin High school in startling fashion last Thursday and Friday. In all probability, to the student body as a whole, this extra-curricular activity will prove very educational.

Participants for the County Meet were chosen in tournament fashion. Fourteen girls entered the Senior declamation, and eight were eliminated in the first round. The six finalists presented their speeches to the judges, and three happy girls were awarded a free trip to Abilene. The winners were Herbie Faye Johnston, Ethel Belle Neal and Joyce Hudson. Girls who participated in the Senior girls' division were Ethel Belle Neal, Herbie Faye Johnston, Joyce Hudson, Selma Hassen, Eleanor Stephens, Bobby Tims, Shirley Barnes, La Rue Kite, Zelma Green, Inez Wallace, and Lois Brady.

The Senior boys' contest was won by Milton Fletcher and Jimmy Clements. Boys who participated were Billy Calhoun, Jimmy Clements, Milton Fletcher, B. L. Smith and Joe Don Dickey.

Betty Lou York and Bobby Wilson were victorious in the Junior girls' division. Girls who participated were Billy Jean Holland, Billy Dean Dunlap, La Rue Kite and Mary Dena Huling.

Larry McCoy and Glen Richardson were winners of the Junior boys' division.

All of these students deserve ample praise for showing their interest for the honor of their school.

JONES COUNTY INTERSCHOLASTIC LEAGUE MEET TO BE

HELD IN ANSON MARCH 20-22

Beginning at 2:30, Thursday, March 20th, Hamlin will participate in most of the following:

Typing.
Beginning at 6 P. M., Thurs. 20th: Choral Singing. Ward school sings at.

Beginning at 8 Friday, March 21: Debate (boys).

Declamation — Senior boys, Class A and B. (Prelim. if necessary).
Beginning at 10 A. M.: Number Sense.

DEBATE NEWS

If anyone has noticed some loud arguing on "The Increase of the Tax on National Resources," the first period in room 12, think nothing of it; it is only the debaters debating.

The debaters, who will debate in Anson at the County meet, have been selected and the girls' team which was selected, went to Abilene March 8, and debated 2 teams there. They received much advice and feel better qualified now.

These two teams, Richard Young, D. C. Reynolds, Virginia Hampton, and Craigolene Elmore, will enter in the Interscholastic League in Anson and are hoping to win.

FFA BOYS ATTEND ABILENE

FAT STOCK SHOW

By D. C. Reynolds

R. H. Campbell and the following boys attended the Abilene Fat Stock Show Tuesday, Feb. 25th, to practice judging. Jack Ellison, Everett Ellison, Bill Harbert, Alvin Johnson, B. L. Smith, and D. C. Reynolds. Floyd Smith, J. C. Hodnett, and Glendon Hemphill showed livestock. The boys were interested in the show and did all they could to make Jones County stock win.

The FFA boys saw a good livestock show. There were many fat calves, hogs, and sheep that interested the boys. The boys saw some of the best sheep in West Texas. Some of the boys want to be auctioneers now since they heard the one at Thorton's auction ring.

The boys learned that it is hard work to show a good calf. They also learned that the best calf does not always win and that it takes good showmanship to make a winning calf. This was proved when

Mr. Stengal, of Texas Tech worked so hard on the champion calves. The good judging of Mr. Stengal helped the boys that are on the judging team. He taught them that judging takes careful study and hard work. All the FFA boys enjoyed the show and are looking forward to show time of next year.

THE SNEAKER

Would someone please explain why Charlotte Dillingham and Marguerite Nobles are always singing "There's Something About a Soldier"?

Ruby Herr seemed to be doing all right Sunday afternoon. The uniforms were really neat looking. I think they were army uniforms, but I wouldn't be sure.

Bill Scott seems to like the location of his locker next to Betty Abbott's. This might not mean anything but the eyes seldom deceive you!

Dean Witt has looked a little down-cast and blue the last few days. Could it be that a certain little dark headed freshman has changed from the fifth period study hall?

I am sorry, Geneva, I forgot the ring on the third finger of your left hand.

Dick Kelly doesn't have much to say, but the Sneaker will find out who his heart throb is sooner or later.

Gean Witt and La Verne Hicks seem to get along very well together.

If you hear any screaming or hair pulling the third or fourth period, think nothing of it. It's just Mr. Grigg's bookkeeping class trying to balance a working sheet.

Has anyone ever noticed Mary Nell's chewing gum. It's really very becoming to her.

J. C. Bledsoe seems to have a new song on his mind most of the time now. I think the name of it is "Marie, My Heart is Aching."

Here's hoping that the students who will represent Hamlin will come through with flying colors.

PERSONALS

We are very glad to see W. T. Malone back in school after an extended illness of pneumonia.

The student body wishes to express their sympathy to Mr. and Mrs. Glen Caffey in the loss of his father.

The Seniors regret the loss of one of their most promising members, Eleanor Stephens, who has moved to Moody, Texas.

Miss Camille Smyers visited her parents, Mr. and Mrs. F. H. Smyers at Arlington over the week end. The students of Hamlin High wish for Miss Willis a speedy recovery.

We are glad to see Virginia Hampton back in school. Virginia is one of the debaters who will represent Hamlin in the County Meet.

H. S. FATHEREE SPOKE

TO HIGH SCHOOL P. T. A.

A very interesting and worthwhile program was presented in a meeting of the High school Parent-Teacher Association Tuesday evening in the school auditorium. Mr. H. S. Fatherree, principal of Abilene High School, spoke on "The Contributions of the Home in the Training of the Child." He emphasized the importance of a well-regulated home life as the foundation for the health, the democratic habits, the emotional control, the industry and thrift, and the spiritual values de-

veloped in the child. Mrs. Henry Albritton and Mrs. Jack Russell played Rubenstein's "Kammerenci Ostrow" in a two-piano arrangement. Mr. Glen Caffey, accompanied by Harold Fletcher, sang "A Little Bit of Heaven Fell from the Sky" and "Did Your Mother Come From Ireland". Miss Edwina Gilbert and Mr. Forrest Greenway played Strauss' "The Blue Danube" in a two-piano arrangement.

The program closed with a prayer led by Mr. S. E. Brooks.

FINALS IN DECLAMATIONS

The finals in the local declamation contests were held Tuesday afternoon at McMurry College with Mr. Jackson Lord and Mr. Harvey Cromwell serving as critic judges.

The following students were selected to represent Hamlin in the County Meet: Herbie Faye Johnston, Milton Fletcher, Betty Lou York, and Glen Richardson, Joe Clements and Verna Mae Caldwell.

Other students who made the trip to Abilene were Joyce Hudson, Ethel Bell Neal, Jimmy Clements, Bobbie Wilson, Mart Farrow, Larry McCoy, and Gamile Hassen.

Hon. Clyde L. Garret

Handles Information

Office In Washington

Hon. Clyde L. Garrett, former Congressman from this district, is now filling a much appreciated place in Washington, D. C.

The establishment of a Service and Information Office in the Department of Commerce to simplify and expediate contact between business men who come to Washington and government officials, has been announced by Jesse Jones, Secretary of Commerce.

Utilizing the services of men detailed from the Bureau of Foreign and Domestic Commerce and others with long experience in and association with the affairs of government, the office has been instructed to reduce wherever possible, the time required by representatives of business and industry who come to the Capitol to transact official business.

The primary objective of the Service and Information Office will be to put businessmen, wherever possible, in direct touch with the government official who can best give consideration to the particular problem presented. In this way it is anticipated that it will be possible to reduce the number of calls that the business visitor will have to make and also save the time of government officials who now see many persons whom they have to refer to someone else.

The development of the defense program has so increased the number of businessmen coming to Washington and consequently the demands on the time of government officials that the new function of the Department of Commerce should—it is expected, facilitate the transaction of business and prove of value to business, industry and government.

The availability of the Service and Information Office has been made known to all members of Congress and to other government departments in the belief that its facilities may be used as a clearing house for all those who have business with government but are not certain how to approach their objectives.

Quarters for the Service and Information Office have been established and are in operation just off the main lobby of the Department of Commerce Building in Room 1060.

Mrs. W. E. Mizell who resides near Tuxedo, is reported seriously ill in the Stamford Hospital. She was taken to the hospital Monday. She formerly lived in Hamlin.

Mr. and Mrs. Lowell Ballew and baby Jonita of Waco, were here last week to visit their parents, Mr. and Mrs. J. S. Ballew and Mr. and Mrs. W. R. Wilkerson.

Mr. and Mrs. John Howard have a letter from their son, John V. Jr., at El Paso, and he states that he is being sent to a camp in Wyoming.

Texas Figures Big

In Defense Projects

Austin, March 12—Texas' share of national defense contracts has moved steadily upward and through February amounts to \$228,712,454, according to a tabulation released Friday by B. Frank White, Acting State Director for the Office of Government Reports.

This amount includes only those contracts covering work done within the state and does not cover construction projects outside the state being built by Texas concerns, Mr. White said. Such awards total approximately 14 million dollars.

Biggest defense contract boost during the last two weeks of February came under a 3 1-2 million dollar contract to the Tin Processing Corporation of New York for the construction of a tin smelter at Texas City. The site was donated by the Texas City Terminal Company and the smelter is to be owned by the Federal Government and operated for its account.

Khaki cotton trousers, 785 pair, will be furnished the Army under contracts issued during the two-week period and scattered among 10 Texas manufacturers in San Antonio, Wichita Falls, Dallas, El Paso, Waco, Fort Worth, and Sherman. These contracts totaled the sum of \$408,418.

Mr. White said that persons desiring detailed information on defense contracts in Texas will be furnished each issue of the bi-weekly tabulation upon request to his office in Austin.

Where do telephone wires go, Mister?

Well, Sonny, these telephone wires that begin here in your home reach to all America. They cover both our water fronts and the land between.

Which means that we must keep your Daddy's telephone service so dependable, so valuable, so "good" and so reasonable in cost, that he can call next door or far away... anywhere... any time.

**Dove or Doves Are
Punctual Nesters**

For four consecutive years a dove has built its nest and reared young in a tree just outside the study window of Rev. F. L. Willshire of the First Methodist Church at De Leon Texas. However, more unusual than that is the fact that the dove, or possibly it is an offspring of the dove nesting there the previous year, makes its appearance each spring on Sunday within a few minutes of the same time and builds a nest each season within a few inches of the same place in the tree.

Texas Game Department biolo-

gists believe, after preliminary study, that doves do return to the same vicinity to nest year after year. Too, doves hatched in one vicinity will often return there to nest the following year.

Texans Buy Liquor

With \$581,438.93 collected by the Liquor Control Board in February, revenues were ahead of the \$502,019.86 collected in February a year ago by \$79,419.07.

This was the second month in a row in which revenues had shown a substantial gain over the similar period a year ago.

Gain in sales of all types of alcoholic beverage tax stamps was noted. Liquor tax stamp sales amounted to \$367,531.20 as compared with \$319,630.17 in February, 1940; wine stamp sales were \$36,136.74 against \$24,966.39; and beer stamp sales were \$146,170.17 as compared with \$118,407.17.

There were 959 beer licenses and 98 liquor permits for which fees were paid in February, including:

General distributor, 6; branch distributor, 7; local distributor, 22; on-premises retailer, 445; off-premises retailer, 12; beer-wine retailer, 467 (959).

When you pass up*The Herald***THE ADVENTURES OF REDDY KILOWATT***Foiled by a Light Globe*Dear Friends:
I didn't know what to do, the day those toughies laid their plans to steal Mr. Brown's car. But the idea came to me..

I went to the tool box and got wires and insulators and a hammer and some screws. It doesn't take much to run a line to the garage..

Then I got one of the outdoor flood lamps and hooked it up. I smiled as I finished the job because..

Mrs. J. W. Jenkins Hostess to Club

The Friendly Neighbors Quilting club met Wednesday, March 19, in the home of Mrs. J. W. Jenkins, with 17 present for a covered dish luncheon. Visitors were Mrs. Gussie Beauchamp of Paducah, and Mrs. Clyde Hodnett, of Neinda.

Two quilts were completed and hemmed, and officers elected in a business session.

Mrs. Buford Stone will be hostess for the next meeting on Wednesday, March 28th. Visitors are always welcome.

Marriage of Miss Mary Jo Price Announced

Mr. and Mrs. J. H. Price announce the marriage of their daughter, Miss Mary Jo to Mr. Forrest P. Holliday, Jr. of Stamford.

The marriage took place in Anson, Saturday, March 15, at 8:15 P. M. The attendants were Miss Ann Saxton and Mr. Beb Young of Stamford.

The bride is a popular member of the Senior Class of the Hamlin High School. She has won special honors in art work during her time in the Hamlin school.

Mr. Holliday is a son of Mr. and Mrs. Forrest P. Holliday of Dallas. He is enlisted in the Air School at Stamford.

The couple will make their home in Stamford after the first of April.

J. R. Holland Family Honored With Party

Mr. and Mrs. J. R. Holland and children, Prentice, Mary and John Ray were honored Saturday night with a surprise party. Games were played. Marshmallows and weiners were roasted and refreshments served.

Those present were Mr. and Mrs. Terry Cooper and children, Reed, Elmer, Ray and Juanita; Mrs. C. N. Dix of Los Angeles; Mr. and Mrs. F. Cooper, Mrs. G. P. Drake, and son Milton of San Antonio; Mr. and Mrs. Bill Cooper and daughters, Billy Jo, Mary Nell and Christeene; D. C. Walker, and Ford Plemons.

Methodist Women Have Program and Social

Monday afternoon, March 17th, the Women's Society of Christian Service enjoyed an interesting program and social hour in the home of Mrs. A. Hackley, with Mmes. Carlton, Dickie and McGuire as co-hostesses.

Stewardship of Brotherhood was the theme of the program directed by Miss Eleanor Temple. "What A Friend We Have In Jesus" was the opening hymn, followed by prayer by Mrs. McGuire. Others taking part on the program were Mmes. Brooks, Sauls, and Moody.

At the conclusion of a short business session, delicious refreshments were served to 25 members.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for over 50 years.

G. A.'s Enjoy Picnic

Climaxing a contest, the Girls' Auxiliary of the First Baptist church enjoyed a picnic and bicycle ride Saturday at the City Park.

Those present were: Margaret Sellers, Frances Ubben, Marie Hul-

ing, Ojeda White, Bobby Nell Havens, and La Rue Kite, with Mrs. Alton Clemmer and Mrs. O. G. Harvey as sponsors.

We invite all intermediate girls to come to the Baptist church on Monday afternoon at 4:00 o'clock.

AID-TO-BRITAIN STARS RECIPROCATATE FLYING VISIT

In addition to netting approximately \$25,000 profit, Dallas' Aid-to-Britain benefit show provided an opportunity for Hollywood's Errol Flynn, right, and Bruce Cabot, center, to reciprocate a flying visit from Harry Rolnick, Dallas hat manufacturer and long time friend. Rolnick recently flew to Hollywood to design hats for Warner Bros.' male stars. While in Texas, Flynn arranged for several "ten-gallon" Resistol hats to be sent to friends in England as symbols of Texas friendship and hospitality.

A casual sort of hat is the SKYLARK. Just a touch of swagger in its broad brim and draped band. And the exclusive Resistol Self-Confirming feature provides hat comfort equal to its style.

POT SHOTS FROM McCAULLEY

—BY GEO. DARDEN—

Mr. L. Akins, who has been ill with flu three times within the past few months, is up and about again, we are glad to report.

Billie Pickron and James Parker will leave this week for San Antonio, where they have enlisted in the Air Corps.

Rev. C. E. Dick preached at the Baptist church Sunday. We have heard more expressions of appreciation as to his coming back as pastor at McCaulley, and we feel sure that the church as a whole will benefit much by his coming.

Mr. and Mrs. Wesley Akins of Crowell, Texas, are spending a few days with their parents, Mr. and Mrs. Luther Akins.

R. L. (Red) Miers and Travis Deán made a trip to Lubbock last week on business.

Mr. and Mrs. Rod Brown of Neinda were Sunday visitors in the home of Mr. and Mrs. S. E. Miers.

Mr. and Mrs. Leiland Clifton of Imperial, Texas, visited their parents, Mr. and Mrs. Louis Rector over the week end.

The McCaulley High debaters won over the Roby team in the finals at the county meet, and will compete at Abilene for district honors. The boys are Virgil Lawliss and Bynum Akins.

Billie Pickron and Tillman Henson made a trip to Lamesa Sunday. The reason, we understand, was to see a couple of young ladies who formerly resided in McCaulley.

Mr. John Steel and family of Ft. Worth are visiting in the home of their son, Virgil Steel and family.

Mr. and Mrs. Algie Johnson of Fort Worth are visiting relatives in McCaulley for a few days.

The army is taking a lot of the boys nowadays. We have just read the Herald and find that one of our cousins, Wayne Hodnett of Neinda is at Ft. Bliss, and folks, when these West Texas boys start after Hitler, the jig will be up.

Pete Steele, Turner Houghton and C. D. Jones made a trip to Ft.

Worth last week.

Mrs. R. L. Miers and Mrs. Geo. Darden visited Mrs. Everheart in her home at Sylvester one day last week. Mr. Everheart, commissioner of Precinct No. 1, is in a hospital at Amarillo and has been seriously ill, but is reported to be improved.

We understand that a rig will be moved to the W. F. Davison place west of town next week. Here is hoping we get another oil well.

Mrs. Bird Rector of Hermleigh visited a sister, Mrs. Geo. Maberry last week.

The little daughter of Mr. and Mrs. H. P. Powers has been real sick, but is doing fine at this writing.

Bro. C. E. Dick spent Sunday afternoon with the George Dardens.

O-O-O-O

With the stillness of a mouse, we listened to our President Saturday night. And as we expected, this great leader shot straight from the shoulder and not only did he tell the American people what to expect but he very definitely told the war mongers and dictators what to expect from America. We as Americans, should appreciate such a leader, and no greater American, or statesman ever lived than Franklin D. Roosevelt. And we believe that this government means to give every aid to all nations that are fighting for liberty, life and justice. Slavery can not and will not for long exist when such he men as Winston Churchill and Franklin D. Roosevelt lead the two greatest nations on earth. Those who heard the President remember that he said when we win, and not "if" we win. Wouldn't it be funny to watch the reactions of Hitler when FDR's speech reached him. We can imagine Adolph as he paced the floor and pulled his hair, and if he fails to take America seriously in our all-out aid to England, then he is just plain nuts.

WISE CHAPEL NEWS

By Catherine Drake

We are having more winter weather. A light snow came Monday night.

Mr. and Mrs. L. C. Bonds and son of Hamlin visited Mr. and Mrs. Joe Bonds Sunday.

Mr. and Mrs. Tom Neill and son Joe visited Mrs. G. W. Bingham of Neinda Sunday afternoon.

Mr. and Mrs. Jimmie Sedberry of South Side visited Connie Drake and sisters Tuesday afternoon.
